Dear coordinators,

Greetings! Hope the new semester is not too hectic for you. Enclosed is the newest lab safety training schedule. Please pass them on to new workers entering the labs, either undergrads, postdocs, grad students and or new professors.

A reminder that EH&S services: hazardous wastes bins pick ups and deliveries of containers, chemicals inventory etc. will only be given to the labs after the PI and his/her group has gone through classroom training. Please call Nancy at EHS 5-2682 to register.

Thank you for your help and have great new semester. YM
